It's where you belong!

We at Grove City Area Federal Credit Union are always striving to better protect our members. To that end, we have blocked ALL debit card transactions involving certain specific countries which have an unusually high rate of fraudulent transactions. Here is a list of the countries that we currently have blocked:

Canada (except for prescription drugs)	South Africa
Greece	Japan
United Kingdom	Dominican Republic
China	Qatar
Spain	Brazil
France	United Arab Emirates
Turkey	

This list may be updated at any time without notice.

In the event that you need to complete a transaction involving one of these countries, you do have the option to remove the block, **however:**

Once the block has been removed, you will be held responsible for any and all transactions, regardless of validity of fraudulence, with the country you've requested to unblock.

Both the request for an unblocking and a request to again re-block a country on the list must be submitted to us in writing. The second page contains the form required to unblock a restricted country. This form must be signed in the presence of a GCAFCU staff member. If you cannot sign it in front of us, your signature must be notarized before we can remove the block.

It is important to remember that you are the best tool in the prevention of fraud. We are always here to answer any questions you may have and address any of your concerns. Please do not hesitate to contact us.
