IDENTITY THEFT: Don't Be A Victim!

A recent Harris Poll found that 60 million Americans are concerned about identity theft - and with good reason: identity theft is on the rise. According to the non-profit Identity Theft Resource Center, data breaches increased 44% in 2018, putting sensitive information, such as credit card and Social Security data, at risk. While credit card fraud is the most common form of financial breach, tax return, medical, and insurance fraud are also a threat. Because they have Social Security numbers, even babies and children can become victims of identity theft. Smart information management is the key to preventing identity theft:

- Avoid sharing personal information on social media
- Add password protection to cell phones
- Shred sensitive documents
- Don't carry your Social Security card with you in your wallet or purse
- Update computer virus protection software regularly
- Check your credit report for free up to three times per year

For more information or to report suspected identity theft, visit the Federal Trade Commission's website at identitytheft.gov or call 1-877-438-4338.

Community Shred Event

Protecting Your Personal Information

Shredding sensitive documents is an important part of protecting you and your family from identity theft. We at Grove City Area FCU are ready to help by offering on-site shredding services provided by Iron Mountain to any non-business member of the community at our 1600 S. Center Street Ext location. We aren't collecting a fee for the shredding service, but we welcome your donations of non-perishable food items, personal hygiene products, and monetary donations for the Grove City Community Food Pantry. Watch for more details coming later.

Food Truck Fridays Are Back!

Bring your friends and join us for lunch on Fridays from 11:00 to 3:00 as we celebrate the return of summer fun! We've added picnic tables to the gravel lot at our 1600 S. Center Street Ext location so you can support our local food trucks, enjoy some amazing eats, and soak up some warm weather. Follow us on Facebook or check out our website at www.gcafcu.org to see what's cooking!
